## OUR STORY

AP Renovations have been in this industry for over 15 years, providing a high-class joinery and refurbishment service, restoring traditional properties to their former glory.

As a multi-discipline restoration specialist we guarantee our own work, offering specialist products eligible for installation even in listed buildings.

Here at AP Renovations, we take a great pride in retaining your property's original features, whilst also improving its energy efficiency.

Investing in your home is as important to us as it is to you. All our services are tailored to your property and our team of skilled, passionate joiners and tradesmen spend time making sure we work closely on every detail of our work.

We believe in honest transparent services and aim to make you proud of your property's restoration. Not only do we help customers restore their homes, but our work adds real value to your home. Our friendly teams are approachable and support and encourage any questions you may have during the timeline of your project.

Over the last 15+ years we have worked hard to become one of the most respected Traditional Restoration & Joinery companies in the Midlands. We've grown from a sole trader to now a complete group offering a range of in-house services with the focus on quality. Owner Adam continues to retrain and upskill his team members so that we consistently produce quality results and improve customer service each year.
